**Commenting on the performance Mr. Ashwani Arora, MD & CEO said:**

*“During the period under review, LT Foods has posted good results, despite of challenging environment. India and International sales volume has witnessed growth of 27% and 14% YoY respectively for the year ended 31<sup>st</sup> March, 2017. The growth has been driven by consistent brand investments and with the addition of new consumers in each segment not only India but globally as well. Further the Company has also entered into the new geographies.*

*The margins has also improved due to favorable product mix, scale and with continuous focus on efficiency initiatives.*

*Company will continuously focus on strengthening its consumer branded business, organic and value added business in India and globally.”*

**About LT Foods**

LT Foods offers branded basmati rice, value-added staples and organic food. Its brands ‘Royal’ and ‘Daawat’ enjoys leading position in US and India respectively. While Basmati rice remains its core proposition, the Company’s vision is to emerge as a Global Specialty Food Company, admired for its wider range of quality products. Its integrated operations span the entire rice value chain – right from farm to fork. The Company has 5 state-of-the-art manufacturing units in India, 2 packaging facilities in US and in addition deploys 5 more third-party facilities to manufacture high quality food products. LT Foods operations include contract farming, procurement, storage, processing, packaging and distribution. It is also engaged in research and development to add value to rice and rice food products.
