Odisha steel units want iron ore exports curbed

SURYA SARATHY RAY
New Delhi, August 28

FACTORY IRON ORE shortage, Odisha-based steel firms, which do not have operational captive mines, have asked the government to make it mandatory for all iron ore mines in the state to sell at least half of their produce to Odisha-based sponge iron and steel units unless they promise 10% for their own use.

The state produces 110 MT iron ore a year, the lead exporter is China.

The state produces 110 MT iron ore a year, the lead exporter is China in the first six months of the year against 5 MT against 8 MT in the first half of 2019. On the other hand, all-time high iron ore prices in international market because of COVID-19, Odisha miners are capitalising on the opportunity. Of the total 100 MT exports to China in the first six months of the year, 90 MT went to the complete port area in the first six months of the year, which includes five grades iron ore, high grade iron ore and pellets. The higher exports and higher sale in other states of the country have led to a shortage to Odisha's sponge iron industry. Consequently, the prices have gone up in the state and adjoining states. The increase in iron ore price is also influenced by the increase in steel price. The export of steel from India increased due to limited demand in domestic market. However, despite the increase in iron ore price, the domestic market now, high international prices remaining, is not expected to rise.

The government had extended the retail sale of iron ore to 10% of the total iron ore production. It also approved of three more bylaws, to ensure the compliance of iron ore production. As on August 1, only three mines — two in the state and one in Odisha — were producing iron ore. The government had extended the retail sale of iron ore to 10% of the total iron ore production. It also approved of three more bylaws, to ensure the compliance of iron ore production. As on August 1, only three mines — two in the state and one in Odisha — were producing iron ore. The government had extended the retail sale of iron ore to 10% of the total iron ore production. It also approved of three more bylaws, to ensure the compliance of iron ore production. As on August 1, only three mines — two in the state and one in Odisha — were producing iron ore.

India's single-day Covid cases cross 77,200-mark

PRESS TRUST OF INDIA
New Delhi, August 28

A RECORD SINGLE-DAY spike of 77,266 Covid-19 cases pushed India's daily tally to 33,87,903, while the recovery surged to 25,83,948 on Friday, according to the Union health ministry. The death toll climbed to 61,529 with 1,057 people contracting the disease in a span of 24 hours, the data updated at 11 am showed. The recovery rate was recorded at 76.1% while the Covid-19 case fatality rate has further declined to 1.82%. There are 74,233 active cases confirmed in the country which comprises 21,80% of the total confirmed cases. Karnataka, 109 from Tamil Nadu, 92 from Andhra Pradesh, 84 from Madhya Pradesh, 54 from West Bengal, 47 from Gujarat, 14 each from Jharkhand and Kerala, 13 from Rajasthan, 11 each from Telangana and Uttar Pradesh.

He became the youngest president of AAAI in 1998 at 36.

He became the youngest president of AAAI in 1998 at 36. Premnarayan also served as chairman of Advertising Association of India and chairman of National Leadership Survey Council.

Delhi keeps power tariffs unchanged for FY21

FE BUREAU
New Delhi, August 28

THE DELHI ELECTRICITY Regulatory Commission (ERC) on Friday came up with the power tariff schedule for FY21, which kept the unit of electricity for consumers unchanged. Monthly fixed charge for domestic consumers with a connection load of below 2 kW would be ₹200/RTW per connection. Connection load of 2.5-5 kW would cost ₹200/RTW and 5-13 kW connection would be charged at ₹100/RTW every month. The ERC in August 2019, had announced 100% hike in rates for users consuming up to 200 units of power. Domestic consumption between 200 and 400 units are subsidised 50% by the state. Changes to this policy have been announced by the government, implying that the subsidy regime would continue in FY21.
